Full portfolio & live demos: **rizkaayudwisugiharto27-hue.github.io**

2025 Economics graduate (International Class) with hands-on experience in RJPP monitoring, annual budget planning (RKA), financial analysis and industry outlook research. Proficient in Excel, Stata and EViews; builds Google Sheets + Apps Script dashboards.

Experience

Jun 2026 – Present

PT Pelindo Sinergi Lokaseva

Strategic Planning Intern · North Jakarta

- Monitored quarterly RJPP 2026 implementation, completing progress reports **50% faster**; helped draft RJPP 2026–2030.
- Market and macroeconomic research for the Industry Outlook 2026, including an **ARDL regression** of exports.
- Comparative analysis of Terminal Kijing's financial realization; BOD materials for ASEAN Port & Logistics 2026.
- Built the **Innovation Hub** dashboard: 453 ideas in one live view (page 2).

Nov 2025 – May 2026

Kementerian Imigrasi dan Pemasyarakatan

Finance & Budget Administration Intern · Bureau of Planning and Finance

- Organized **600+** financial records (+20% reporting efficiency); validated **200+** SPM, grant and travel documents.
- Supported the annual budget plan (RKA), **+15%** forecasting accuracy; reconciliation and annual reports **100% on time**.
- Built SI-REKAP PERJADIN, replacing manual input that took **3–4 days for ~50 files**. Completed with an **"Excellent"** rating.

May 2025

PT Pertamina Training & Consulting

Administrative Representative – Supply Chain Planning

- Monitored fuel distribution across **120+ locations in 8 regions** in DELMIA Quintiq, with **95%** data accuracy.
- Automated Excel & Google Sheets reports, increasing reporting efficiency by **60%**.

2022 – 2024

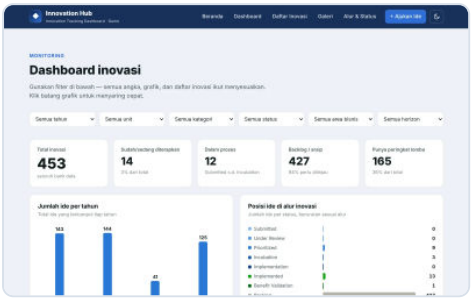

Organization & volunteering

- **Liaison Officer**, ICoSI & ICIEFI 2024: coordinated 100+ participants, 90% positive feedback.
- **Secretary**, Entrepreneurship Division, HIMIE UMY: 50+ documents, 15 SOPs, 10+ events.

Projects & work samples

LIVE DEMO · PELINDO SINERGI LOKASEVA · 2026

Innovation Hub Dashboard

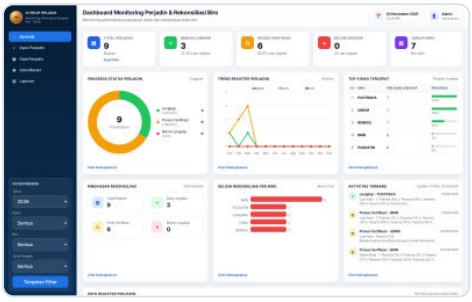

Google Sheets + Apps Script web app that turns the company's innovation data bank (453 ideas) into a live monitoring dashboard. **Before:** ideas were only collected during innovation competitions. **After:** any employee can submit ideas anytime, and managers can see which ones need follow-up.

LIVE DEMO · KEMENIMIPAS · 2026

SI-REKAP PERJADIN – Travel Expense Recap System

Before: ~50 travel files took 3–4 days of manual input into Google Sheets. **After:** each file is entered once through a validated form; recap, document status per bureau and report update automatically. The prototype has been handed over to the ministry's IT team for follow-up; time savings will be measured after rollout.

WORK SAMPLE · INDUSTRY OUTLOOK 2026

Port benchmark, vessel trends & ARDL regression

Top-10 global container port benchmark (all 10 run supporting logistics/FTZ zones); Java's share of container port calls fell from 69% to 47%; ARDL bounds test (F = 6.783 > 4.428) shows the exchange rate and BI Rate both reduce exports in the long run.

CASE STUDY · OCT 2026

Investment Scheme Analysis: Profit Sharing vs Phantom Share

Excel financial model and recommendation deck for a Corporate Investment Staff skill test.

+41.7% Revenue growth in 3 years	**72%** Net profit absorbed by bank installments	**12.3% vs 12.7%** Investor IRR, nearly equal	**Phantom share** Cash Rp230–771 m higher
